Pure Wisconsin Maple Syrup

About Dunek's Maple

We are Dunek's brand Pure Wisconsin Maple Syrup; family-owned and family-operated in Southern Wisconsin since 1995. At Dunek's, we *love* Maple Syrup.

Dunek's serves retail, bulk, foodservice and promotional clients with our all-natural maple syrup, available in four grades: Golden, Amber, Dark and Very Dark. Our maple syrup products are made with the sap our family collects from our very own trees, and we are proud that none of our products contain refined sugars.

Grades

Dunek's brand Pure Wisconsin Maple Syrup is available in four delicious grades!
